# CAREER SERVICES XU EXPONENTIAL

## UNIVERSITY EMPOWERING YOUR JOURNEY FROM CLASSROOM TO BOARDROOM

At XU Exponential University, we are committed to your professional success. Our dedicated Career Services team provides the guidance, tools, and connections to help you navigate your career path with confidence.

### Career Services & Opportunities

#### Direct Connections with 100+ Employers

Gain access to exclusive job and internship opportunities through our industry partnerships.

#### CV & Resume Checks by Experts

Receive personalised feedback to refine your CV and improve your job applications.

#### Mock Interviews & Interview Coaching

Practice your skills with mock interviews and gain confidence for real-world job interviews.

#### Individual Career Coaching & Mentorship

One-on-one career guidance from professors, industry professionals, and career advisors.

### Soft Skills Development

Enhance your communication, teamwork, and leadership skills through tailored training sessions.

### Job Assistance & Internship Support

We help students find part-time jobs, internships, and thesis collaborations with leading companies.

### Career & Networking Events

Build valuable professional connections at exclusive networking events with industry leaders and recruiters.

### SAP Career Path Support

Specialized career planning within the SAP ecosystem, led by Prof. Langkafel, a member of the SAP Academic Board.
